**RECEIVED**  
MAY 23 2008  
PUBLIC SERVICE  
COMMISSION

**RESPONSE TO ORDER OF APRIL 4, 2008**

Parksville Water District, by counsel, pursuant to the Order of April 4, 2008 states that it expects to call as its witness the manager of the District, Jerry Feather, who will testify about matters raised in the Complaint. He will testify that Parksville did not receive notice of the rate increases billed and collected by Danville; that no tariff change has been filed by Danville with the Commission reflecting a change in rates; that the rates charged by Danville have increased periodically since 2005 and the current amount of the overcharges; that the rates billed by Danville have been paid in full; and that the improperly collected rates should be refunded with interest. Mr. Feather will also address any related issues raised during the hearing

Parksville may also call other witnesses to address issues raised in the hearing.
